

Chorale I (MU)

The GCC Chorale is a mixed voice (SATB) non-audition choir. The goal is the live performance of a wide variety of choral music. Music theory, sight reading and vocal technique appropriate for choral music will be taught.

Student Learning Outcomes (SLOs)

Upon successful completion of this course, students will be able to:

1. Demonstrate appropriate use of breath support, resonance, and diction.
2. Perform the selected choral music in live concerts with a high degree of proficiency.
3. Identify and describe the interpretive markings in music.
