

Associate of Science in Practical Nursing
Quarterly Report
July 1st – September 30th

ASSOCIATE OF SCIENCE IN PRACTICAL NURSING

- The 2021 Associate of Science in Practical Nursing cohort will soon be completing their second semester courses with face to face instruction, hands-on laboratory skills, and hospital clinical practice. They are currently taking the following Fall semester courses:
 - o NU220 Adult Medical Surgical Nursing
 - o NU230 Maternal Newborn Concepts & Skills
 - o NU240 Pediatric Nursing Concepts & Skills
 - o Clinical practice is currently being conducted at the Guam Memorial Hospital Authority, UOG COVID-19 Vaccination Clinic, Old- Carnival Grounds Tiyan Testing Site, & Surgicenter for Medical Surgical Nursing.
 - o Maternal Newborn & Pediatrics clinicals will be conducted at Guam Memorial Hospital's OB ward, Labor & Delivery & Pediatrics Units; as well as the DPHSS Northern Clinic and Dr. Shieh's Clinic

2020 ASPN COHORT

- So far a total of 10 out of 19 graduates have officially passed the NCLEX-PN and are now licensed practical nurses confirmed through the Guam Board of Nurse Examiners. The remaining 9 graduates are currently scheduling their exam dates and will be testing within the next few months.
- The Department continues to work closely with our ASPN graduates regarding their preparations for PN licensure. Online preparatory resources have been purchased through the generosity of the Takecare grant to assist our graduates with their studies for the NCLEX-PN exam and licensure. It is our goal to prepare all of our graduates to take their exam and be licensed within the next four months.
- We are extremely proud of all of our graduates and most especially to those who have recently passed their NCLEX-PN exam.

Dorothy-Lou M. Duenas MSN, RN
Nursing & Allied Health Administrator
